If you pay your taxes through ACH Credit, you must notify your financial institution of the new account and routing numbers (found in the instructions) at People's Bank before your next tax payment is due. Late payments may be subject to penalty and interest." Two payment options are listed in blue buttons: "Pay by E-Check (ACH Debit)" and "Pay by Credit Card".

Pay by E-Check (ACH Debit): ACH Debit, or E-Check payments, can be made electronically for free. You can schedule an ACH Debit Payment for today, or schedule it to be debited from your account at a future date.

Pay by Credit Card: Credit card payments will include a 3% fee to reimburse the state for fees the credit card company charges the State of Vermont. Credit card payments cannot be scheduled for a future date.
