

Iowa Personal Income Tax Extensions

<https://tax.iowa.gov/expanded-instructions/extension-requests-2023>

As per Iowa State department the Iowa does not have an Extension

Instruction Year

2023

The Department does not have an extension form to obtain additional time to file. A federal extension does not apply for Iowa purposes.

If at least 90% of your total tax liability is paid by April 30, 2024, you will automatically have an until October 31, 2024, to file your return timely. You will not be charged a late file penalty. However, you may owe an IA 2210 penalty for failure to make estimated payments. You will owe interest on any tax still due after April 30, 2024.

If the due date falls on a Saturday, Sunday, or holiday as defined in Iowa Code section 421.9A, then the due date is the following day that is not a Saturday, Sunday, or holiday.

Alternate way of Payment:

- Form IA 1040V (Mail Voucher Form IA 1040V along with check to the department).
